

Multi-Asset High Growth Portfolio

October 2019 Portfolio Update

Investment Objective & Strategy

The aim of the VIP High Growth Portfolio is to provide investors high level of capital growth over the medium to long term through exposure to a diversified portfolio of investments, with a strong emphasis on growth assets (95% allocation to Australian shares, International shares, and property securities). The portfolio is composed of 30 – 60 securities and consists of ASX listed securities, Exchange Traded Funds (ETFs), Listed Investment Companies (LICs), Managed Funds, and Cash. The portfolio aims to achieve capital growth by minimising allocation to defensive assets, enabling a more comprehensive overweight allocation to growth assets.
