

VIP Significant Investor Visa Portfolio

March 2021 Portfolio Update

Investment Objective & Strategy

The VIP Significant Investor Visa Portfolio is designed off the basis of the Value Investment Partners Growth portfolio and Opportunities portfolio with the addition of a venture capital/private equity fund in order to fill the requirements for a Significant Investor Visa (SIV) compliant investment product. It is designed with the objective of meeting the Australian Department of Immigration and Border Protection's Significant Investor Visa (SIV) requirements as a 'managed investment fund' investing in 'venture capital fund investments', 'emerging companies investments', and 'balancing investments'.
