

Investment Objective & Strategy

The aim of the VIP Diversified eXplore Portfolio is to provide investors a high level of capital growth over the medium to long term through exposure to a diversified portfolio of ETF's tracking major indices, while providing low management costs to investors. The investments have a diversified exposure to growth and defensive assets in order to provide the desired investment risk profile. A targeted tactical allocation as well as regular performance and risk screenings are employed by Value Investment Partners in order to maximise investor wealth and mitigate volatility.
