

### Investment Objective & Strategy

The **SIV Emerging Companies Portfolio** is designed to assist individuals in gaining temporary and eventual permanent residence of Australia through the Significant Investor Visa Stream. The portfolio aims to outperform the S&P/ASX Small Ordinaries Accumulation Index over a rolling 4 year period to give our investors added value in a emerging companies investment that fits all SIV requirements. The portfolio, furthermore, intends to maintain its compliance as an SIV product under the rules and guidelines given by 'Migration (IMMI 15/100: Complying Investments) Instrument 2015'.

### Portfolio Updates

In February, the Investment Committee made the decision to add EIQ and MEA to the portfolio. The Investment committee also made the decision to remove PPS from the portfolio.
