

Investment Objective & Strategy

The **VIP Significant Investor Visa Portfolio** is designed in order to fill the requirements for a Significant Investor Visa (SIV) compliant investment product. It is designed with the objective of meeting the Australian Department of Immigration and Border Protection's Significant Investor Visa (SIV) requirements as a 'managed investment fund' investing in 'venture capital fund investments', 'emerging companies investments', and 'balancing investments'. The portfolio is constructed to enhance capital growth, improve diversification, reduce volatility, and most importantly preserve capital.

Portfolio Updates

In February, the Investment Committee made the decision to add EIQ and MEA to the portfolio. The Investment committee also made the decision to remove PPS from the portfolio.
