

VIP High Growth Portfolio

March 2022 Portfolio Update (MDA Class)

Investment Description

The aim of the VIP High Growth Portfolio is to provide investors high level of capital growth over the medium to long term through exposure to a diversified portfolio of investments, with a strong emphasis on growth assets.

Portfolio Updates

Equity markets rebounded through March (All Ords +5.4%) following the correction experienced through January and February (All Ords -5.06%). However, the war in Europe, inflation and the potential for recession in many countries, dictated which stocks outperformed. VIP's portfolios were positioned for these factors and performed well with your Australian Equities recording a +6.01% return. In March VIP made a small number of changes to the portfolio, selling your exposure to healthcare and adding more exposure to energy through Beach Energy (ASX:BPT) as the war in Europe looked likely to be prolonged.
