

# VIP High Growth Portfolio

# April 2022 Portfolio Update (MDA Class)

# Investment Description

The aim of the VIP High Growth Portfolio is to provide investors high level of capital growth over the medium to long term through exposure to a diversified portfolio of investments, with a strong emphasis on growth assets.

### Portfolio Updates

Equity markets were again volatile through April with the All Ords falling by 253 points (3.2%) before closing up on the last day for a loss of 1%. VIP's portfolios continued to perform relatively well beating all their benchmarks, however, we did make a number of changes to your portfolios over the month including buying health care stocks such as CSL which had recently underperformed and exiting Emeco in favour of Sandfire and South32.
