

VIP Diversified eXplore Portfolio

March 2023 Portfolio Update (MDA Class)

Investment Description

The aim of the VIP Diversified explore Portfolio is to provide investors a high level of capital growth over the medium to long term through exposure to a diversified portfolio of ETF's tracking major indices, while providing low management costs to investors.

Portfolio Updates

As uncertainty regarding a likely recession and sell-off of international markets heighten over the month of March VIP moved to a more defensive positioning, selling off some of our Lithium and REIT exposure whilst increasing cash holdings. Despite our caution, VIP's flagship growth portfolio provided a gross return of 0.3% for the Month and 3.8% for the Quarter (15.2% annualized).
