

VIP High Growth Portfolio

March 2023 Portfolio Update (MDA Class)

Investment Description

The aim of the VIP High Growth Portfolio is to provide investors high level of capital growth over the medium to long term through exposure to a diversified portfolio of investments, with a strong emphasis on growth assets.

Portfolio Updates

As uncertainty regarding a likely recession and sell-off of international markets heighten over the month of March VIP moved to a more defensive positioning, selling off some of our Lithium and REIT exposure whilst increasing cash holdings. Despite our caution, VIP's flagship growth portfolio provided a gross return of 0.3% for the Month and 3.8% for the Quarter (15.2% annualized).
