

VIP Diversified eXplore Portfolio

May 2023 Portfolio Update (MDA Class)

Investment Description

The aim of the VIP Diversified explore Portfolio is to provide investors a high level of capital growth over the medium to long term through exposure to a diversified portfolio of ETF's tracking major indices, while providing low management costs to investors.

Portfolio Updates

Markets underperformed over May with the ASX200 down -2.53% and the index against which VIP's SMA Growth portfolio is measured down -2.9%. Despite this our defensive positioning enabled VIP's growth portfolio to deliver -0.21% for the month (+4.9% ytd) and the Balanced portfolio delivered -0.18% (+4.2% ytd). The relatively good performances were due to our defensive positioning, our exposure to international technology stocks and Australian REITs.
