

# VIP High Growth Portfolio

### December 2023 Portfolio Update (MDA Class)

## Investment Description

The aim of the VIP High Growth Portfolio is to provide investors high level of capital growth over the medium to long term through exposure to a diversified portfolio of investments, with a strong emphasis on growth assets.

### Portfolio Updates

VIP's positioning remained defensive through December despite markets beginning to factor in an end to the hiking cycle. The threat of recession continues to weigh on our decisions and bodes poorly on the outlook for equities. Consequently, we cautiously adopted a wait and see approach to investing ensuring we minimised risks while continuing to benefit from strengthening bond markets. This enabled the VIP High Growth Portfolio to deliver a positive 3.26% return for the month, albeit below its benchmark's 4.68%.
