

### Investment Description

The aim of the **VIP High Growth Portfolio** is to provide investors high level of capital growth over the medium to long term through exposure to a diversified portfolio of investments, with a strong emphasis on growth assets.

### Portfolio Updates

International equities led markets in October, with MSCI World ex-Australia NR AUD up 3.32% on strong US and European earnings and improved risk appetite. Gold ended 3.7% higher after early-month volatility and profit-taking. US Treasury yields edged slightly lower. The ASX200 finished marginally positive at 0.4%, albeit the High Growth portfolio returning -0.30% due to Ramelius, WiseTech and its healthcare exposure detracting from performance.
