

Investment Description

A diversified portfolio of directly and indirectly held assets having a strategic allocation of 70% in growth assets and 30% defensive assets. Underlying all investments will be a strict environmental, social, and governance (ESG) screen.

Portfolio Updates

In May 2026, the ASX 200 rose 1.15% despite renewed global inflation concerns and geopolitical tensions, as investors remained resilient amid expectations of higher interest rates for longer. Australia's economy continued to experience persistent inflation and moderating growth, supporting a cautious but stable investment environment.
